Shaggy Rugs

ARE EASY TO MAKE

SHAGGY RUGS are made on a canvas base and are easy to do and fun to make. Clark's O.N.T. Rug Backgrounds are the canvases to use for the designs in this book. They can be bought in a variety of shapes and in three different sizes. With these backgrounds you can also make solid color rugs by using only one color for your bundles and sewing them to the canvas in the same manner as for shaggy patterned rugs.

To make any of the shaggy rug designs illustrated in this book be sure to purchase the correct rug background as specified in the **"MATERIALS"** listed with each design. Also be sure to use the side of the canvas having the number specified.

With a pencil, outline your entire design, drawing your line from dot to dot on the canvas, following the rug chart. The word "CENTER" on chart corresponds to the "X" on the canvas. Start counting your dots from this "X" at the center to make it easy. "X" 's on the outer edges, dividing the sides in half, will also help you in counting.

Following the symbols below the chart, make bundles in the length and color designated. We think you will find it more interesting to make a quantity of bundles of one color at a time, and then sew them to the canvas.

HOW TO MAKE BUNDLES

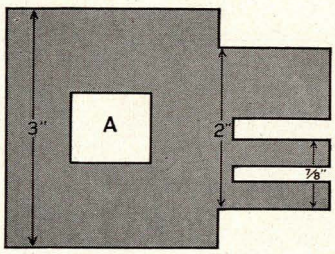

DIAGRAM FOR BUNDLE WINDER

You will need this little gadget for making shaggy rugs. Ask for a Bundle Winder at your favorite art goods department when purchasing Clark's O.N.T. rug materials . . . or make one of sturdy cardboard, following measurements in diagram.

BUNDLE WINDER . . . The little gadget above we've called a Bundle Winder. Use it for speed and ease in making these rugs. Follow directions below for its use.

TO MAKE A 3" CUT BUNDLE: Wind rug yarn 12 times around the 3-inch width (see diagram) of Bundle Winder. Cut it loose from the ball of yarn. Using a darning needle with Clark's O.N.T. Button and Carpet Thread, bind firmly around the wound yarn 2 or 3 times at center, through opening ("A" on diagram) and tie securely. Break off. Cut yarn at both ends of Bundle Winder, and pick up bundle by the bound center. You now have one complete bundle.

TO MAKE A 2" CUT BUNDLE: Wind as for a 3" cut bundle, but wind yarn around the 2-inch width (see diagram) of Bundle Winder. Sew through center slot and cut yarn at ends of Bundle Winder before removing.

TO MAKE A 2" LOOP BUNDLE: Wind as for a 2" cut bundle, but do not cut yarn at ends of Bundle Winder. Remove by sliding off. You now have completed one loop bundle.

TO SEW BUNDLES OR POMPONS TO CANVAS: Place the knot of the bundle over the dot on the canvas, as indicated on chart. With darning needle and Clark's O.N.T. Button and Carpet Thread, sew bundle to canvas with two cross stitches, one over the other, on the wrong side (being sure to catch the bundle securely). Fasten thread and break off.

When all bundles are sewn to canvas, turn under on the edge outlined, and hem on the wrong side. (It will be necessary to trim the canvas at corners for an oval or round rug.)

GENERAL INFORMATION

TO BLOCK RUGS: Pin out a crocheted rug, right side down, on an ironing board, to the measurements given, and press through a wet cloth. When pressed, remove rug to a flat surface until it is thoroughly dry. Shaggy rugs do not require blocking; shake to fluff.

TO WASH RUGS: Dissolve a generous quantity of mild soap flakes in lukewarm water. Squeeze the suds through the rug until it is clean — *NEVER RUB OR WRING.* Rinse twice in clean lukewarm water, and squeeze out water with hands. Lay rug on floor, pulling into shape, and allow to dry. Do not use a washing machine or pass rug through a wringer. When a shaggy rug is almost dry, shake to restore fluff.

WHEN PURCHASING YARN: Be sure to buy sufficient yarn of the same dye lot to complete the article you wish to make. It is impossible to avoid slight variation in color in different dye lots.

Sew rubber fruit jar rings to the wrong side of your scatter rugs in the corners . . . it will keep them from slipping, for it creates an anchor to the floor.

ABBREVIATIONS FOR CROCHET . . . Ch — Chain; **Sc** — Single Crochet; **Dc** — Double Crochet; **Sl st** — Slip Stitch; **Sp** — Space; **St(s)** — Stitch(es); **Rnd** — Round; **Inc** — Increase; **Dec** — Decrease.

* (asterisk). Repeat the instructions following the asterisk as many more times as specified, in addition to the original.

TASSELS (Make 52) . . . Use a piece of cardboard 3½" wide. Place 3 strands each 5" long across length of cardboard. Wind 1 strand of yarn 30 times around the width of cardboard. Break off. Pick up the 5" strands and tie securely. Slip tassel off cardboard, cut strands at 1 end and trim evenly. Wind tassel 3 times around tassel near top. Fasten securely. Sew tassels to edge of rug between 1st and 2nd bundle and in alternating spaces across.

Crochet a Rug!

Two grand rugs to crochet! The round and round rug with matching stool captures the quaintness of old New England. The equally appealing Rag Bag is made from your left over yarn.

RAG BAG No. 9337

MATERIALS:

CLARK'S O.N.T. COTTON RUG YARN, *odds and ends in different colors.*

Clark's O.N.T. Rug and Afghan Hook, *size G.*

For center 4 rnds and last 2 rnds of rug, use the darkest color (preferably Black). Introduce other colors as desired.

Starting at center with darkest color, make a chain 12″ long (3 ch sts to 1″). **1st rnd:** Sc in 2nd ch from hook and in each ch across to last ch, 3 sc in last ch. Now working along opposite side of foundation chain, make sc in each st across to last st, 2 sc in last st. Join with sl st to 1st sc made. **2nd rnd:** Ch 2, yarn over hook, insert hook in same place as sl st and draw loop through, yarn over, insert hook in next sc and draw loop through, yarn over and draw through all loops on hook (an sc-cluster made), * ch 1, yarn over, insert hook in same place as last leg of previous cluster, and draw loop through, yarn over, insert hook in next sc and draw loop through, yarn over and draw through all loops on hook (another sc-cluster made). Repeat from * around, making last leg of last cluster in same place as 1st leg of 1st cluster was made, ch 1, sl st in tip of 1st cluster made. **3rd and 4th rnds:** Ch 2, yarn over, insert hook in ch-1 sp (between clusters) and draw loop through, yarn over, insert hook in ch-1 sp between next 2 clusters, and complete cluster as before; * ch 1, yarn over, insert hook in same place as last leg of previous cluster and draw loop through, yarn over, insert hook in next sp and draw loop through, and complete cluster as before. Repeat from * around, making necessary increases at ends of oval to keep work flat—*to inc, make both legs of cluster in same place*—and ending rnd in same way as 2nd rnd. Fasten off. Hereafter attach new colors as desired. **5th rnd:** Ch 2, and complete 2 clusters as before, * yarn over, insert hook in next sp 2 rnds down (directly below sp where last leg of previous cluster was made), yarn over, insert hook in next sp 2 rnds down and complete cluster as before (this cluster will be referred to as a long cluster). Make 2 more clusters as before. Repeat from * around, making necessary increases at ends of oval to keep work flat. **6th rnd:** Repeat 3rd rnd. Repeat the 5th and 3rd rnds alternately until rug measures 24″ x 36″, introducing new colors as desired, and ending with 2 rnds of darkest color. Be careful to keep continuity of pattern by making long clusters directly above long clusters. Introduce new long clusters at ends of oval in a manner that will not disturb established pattern.

CLARK'S O.N.T. COTTON RUG YARN, *4 balls each of a light and a dark color.*

Clark's O.N.T. Rug and Afghan Hook, *size G.*

GAUGE: 2 rnds make 1".

Starting at center, with dark color, ch 4. **1st rnd:** 11 dc in 4th ch from hook, sl st in top of ch-4 first made. **2nd rnd:** Let dark color hang. Attach light color, ch 3, dc around post of dark ch-3 below (a cable made), * dc in next dc, dc around post of same dark dc (another cable made). Repeat from * around. Sl st in top of ch-3 first made (12 sts increased in rnd). **3rd rnd:** Let light color hang, pick up dark color, ch 3, dc at base of ch-3 just made, * make a cable around post of cable below, 2 dc in next dc. Repeat from * around, ending with cable around post of last cable, sl st in top of ch-3 first made (12 sts increased). **4th rnd:** With light color, ch 3, * 2 dc in next dc, cable around post of next cable, dc in next dc. Repeat from * around, ending as before (12 sts increased). **5th rnd:** With dark color, ch 3, dc at base of ch-3 just made, * dc in next 2 dc, cable around post of next cable, 2 dc in next dc. Repeat from * around, join (12 sts increased). **7th rnd:** With dark color, ch 3, dc in next dc, * cable around post of next dc (thus introducing a new cable between established cables), 2 dc in next dc, dc in next dc, cable around post of next cable, dc in next 2 dc. Repeat from * around. Join (12 sts increased). **8th rnd:** With light color, ch 3, * 2 dc in next dc, cable around post of next cable, dc in next 3 dc, cable around post of next cable, dc in next dc. Repeat from * around, join (12 sts increased). Work in this manner, alternating colors and increasing 12 sts between cables on each rnd as before. Increases should be made in alternate dc-sections on each rnd to keep sections even. When there are 5 dc in each dc-section around, introduce a new cable on the following rnd as before (on center dc of dc-section). Work thus until rug measures about 27" in diameter, ending with dark color.
